Instructor: C. Gregory Russell

DATES: June 10-14, 2019

Location: Renton Public Works – 3555 NE 2nd St., Renton, WA 98056

Cost: \$550 (WATAI members) \$650 (non-members)

Course Description:

This 5 day course will provide attendees the necessary information to successfully process a crash or crime scene using aerial photogrammetry with Pix4D UAV mapping software. This training provides a “crash/crime scene to courtroom” workflow utilizing Pix4D generated orthomosaic images and point cloud data in the most common third party software. This course consists of classroom lecture and hands on work projects as well as field exercises. Each attendee should bring his or her own laptop computer and UAS aircraft.
